PUBLISHED WEEKLY IN CANAL POINT BY PAUL RARDIN

CIRCULATING THROUGHOUT THE VAST AGRICULTURAL AREA OF PALM BEACH COUNTY

RECENT OPERATIONS

By Paul Rardin

Judge Ed Newell, of the criminal court of record, must have set some kind of a record on Monday of this week when he disposed of 81 cases between the hours of 10 a. m. and 3 p. m. That's an average of 16 cases an hour or about one case every four minutes. Maybe somewhere in the land there is a record that equals the one set by Judge Newell Monday, but it hasn't been brought to my attention.

Have you done your Christmas shopping? After all there are only three dozen days before the annual visit of Santa Claus.

Here's real news! I was informed last week that, beginning on Monday of this week all of the barber shops in Pahokee will be open SIX days a week. That is unusual. Heretofore, it has been necessary to stand (or sit) in line for hours to get a little barber work done. With 16-23 percent more barbering to be done in Pahokee maybe a feller won't have to wait so long.

Here is a little something I clipped from an exchange paper: "Let's not be agin-ers—let's be FOR something. Let's be for a better world; let's be for a greater country in the best sense of the word; let's strive to make ours a better community in which to live; let's make our business one of leadership in everything that is worthy of our efforts; let's not be 'agin-ers'—let's be FOR something." I like that little message. Do you?

There are rumblings of a price rise in coffee in these parts. Already on the east coast the price has been boosted to 7c. Which reminds me of a story when Olaf Boe operated a cafe in Canal Point in boom days. It seems that a friend of his returned from the east coast where coffee was selling for a dime a cup. The friend suggested to Olaf that he raise his price to a dime. Olaf, sorta flabbergasted, said, "Not me. If I charged a dime, they'd expect good coffee."

Ticket Sales Good For Appearance Of Sunny South Quartet

At this writing, very few tickets remain for the Sunny South Quartet program which will be conducted Tuesday night in the High School auditorium. A capacity audience is assured thanks to the interest manifested. The total ticket sales proceeds minus the tax will be used by the P. T. A. for the purchase of two electric drinking fountains, a definite need. The few tickets left are in the hands of R. Cowart, Holman's Fertilizer Co., Messers: Barwick, Wilson and Fraser, Carter-Geiger Drug Store, Osceola Upthegrove and the chairman, Rev. C. A. Moberg. When these are sold, there will be no more. Yes, first come, first served.

Tax Bills Out: Payments Started

The county's tax bills began to fill today as taxes became payable in Collector Stetson O. Sproul's office in the courthouse. Two new clerks, Mrs. Betty Taverna and Miss Sylvia Gelders, have been employed to help handle the collection during the rush period.

All tax statements have not been placed in the mails, Sproul said, but his staff is working overtime to finish the job.

A four percent discount is allowed on tax bills paid in November and one percent less each month until April when a penalty of three percent on real estate and one percent on personality is imposed.

Chaplain Lively Will Be Ordained

Next Wednesday morning, November 13 at 10:30 Chaplain Arthur J. Lively is to be ordained at Holy Trinity Church, West Palm Beach, to the Diaconate of the Protestant Episcopal Church.

John Durham Wing, Bishop of the Diocese of South Florida will bestow the office by the traditional laying on of hands and will be the celebrant of the Holy Eucharist of the service. In attendance to him and assisting will be several priests including, the Ven. Fred Yerkes, Canon Robert Gumm, Rev. Fr. Mason A. Frazell, and the Rev. Fr. Martin J. Bram. The St. Vincent Guild Men's Choir of the Church of the Holy Nativity, Pahokee will lead the litany procession. The choir is composed of these men: Bill Kirk, crucifer, Steve Kirk, Tyler Jackson Jr., Payne Jackson, Tony Lively, Dickey Johnson, Porte Johnson, John Bregger, David Chaney, and Harry Fremd.

Chaplain Lively is well known in the Glades, having come to this area last June to serve the mission parishes of Holy Nativity, Pahokee, and St. Martin's, Clewiston upon his return from the Armed Forces where he served as Chaplain with the Fifth Air Force overseas.

Cattlemen To Meet Tuesday Evening

A regular meeting of the Palm Beach County Cattlemen's association will be held Tuesday night at the city hall in Belle Glade, according to an announcement by Assistant County Agent H. L. Speer. The meeting is scheduled for 8 o'clock and all cattle owners are urged to be in attendance. A movie film showing diagnosis of diseases of cattle and horses will be shown by the agent. The film shows how the livestock owner can care for his own stock when a veterinarian is not available immediately.

Belle Glade State Prison Farm Will Be Expanded Soon

TALLAHASSEE, — A \$450,000 expansion building program for the Belle Glade prison farm was approved by the cabinet today.

Adopting a report from the prison committee, the cabinet recommended that land under cultivation at the farm be increased to 1,600 and allocated \$450,000 for the building program.

Title to the additional land needed for the increased cultivation is now held by trustees of the State Internal Improvement fund. However, in a separate action, the trustees voted to convey the land to the commissioners of State institutions.

Under the expansion program, the cultivation of cane would be increased from 240 to 600 acres to produce 500,000 pounds of sugar; rice from 140 to 250 acres to produce 350,000 pounds; beans from 300 to 450 acres to produce 450,000 pounds of dried beans; tomatoes from 80 to 130 acres to provide 65,000 gallon cans; string beans from 40 to 80 acres to provide 65,000 gallon cans.

Foodstuffs produced at the prison farm is used by the State for various penal institutions.

The building program would provide a main building for 500 prisoners, a laundry, infirmary, warehouse, cold storage unit, sewage disposal plant and a small administration building.

"It sounds like a sensible program to me," Gov. Caldwell commented when the committee report was read by Secretary of State R. A. Gray.

Watson's Group Leads In Attendance As Contest Gets Started

The November contest in the Pahokee Men's Bible Class began last Sunday with Paul Watson and his group in the lead with nineteen points. J. R. Miller, Sr., and his men were second with the others not far behind.

This Sunday the teacher, Rev. C. A. Moberg will discuss the next in the interesting series of lessons on Paul. The founding of the church at Philippi as stated in Acts 16: 11-15 and Philippians 2:5-11 will be the theme. Each Sunday finds an increase in the class membership, which is most heartening in view of the effort to bring the enrollment to two hundred. A most cordial invitation is extended to all unaffiliated men of the community and visitors. The meetings are conducted in Fellowship Hall, Sunday mornings at 9:45. This Sunday the greeters will be Elmer Jones and H. G. McGouirk.

ADULT TRAINING UNION SOCIAL

Smiling faces and much laughter will be the order of the occasion Friday night in Baptist Fellowship Hall when the Adult Training Union will conduct its quarterly social. Rev. Moberg will be in charge of the program, with Mrs. W. M. DuBose assisting. The usual in the way of good things to eat will be entered into. Mrs. DuBose is the president.

80 Pct. Bean Crop Ruined By Deluge

The Everglades fall bean crop is about 80 percent destroyed, with little chance of bringing in a replanted crop before December, Aast. County Agent H. L. Speer said today after surveying county fields drowned by Friday's cloud-burst rains.

"There's a chance for farmers who have land within a mile of Lake Okeechobee to plant again and possibly get in their harvest, but for land in the outlying area, away from the temperature-stabilizing effect of the lake, a farmer would be sticking his neck out," Speer added.

Water damage to celery was not nearly so serious as previously predicted by some observers, Speer declared, estimating that a maximum of 10 percent of the crop was lost. "Reasonably light" damage was also given for potatoes and cabbage, on which the yield will be the best barometer of the rain injury.

League Branch To Meet Tuesday

The Everglades Branch of the National Fresh Fruit and Vegetable Distributors of America, will meet at the Gala Club next Tuesday night at 8 o'clock, according to a nannouncement by the president, Roy Segree.

Mr. Segree said that the main order of business will be completion of plans for the annual convention to be held in Palm Beach in January. The annual election of officers will also be held, he said.

A guest of the meeting will be Chas. J. Dougherty, Philadelphia, chairman of the national membership committee and also president of the Philadelphia branch of the league.

Those in attendance will be served delicious steaks, Mr. Segree said. He urges that all members be in attendance to aid in perfecting plans for the convention and naming officers to run the branch during the coming year.

Homecoming Plan Of Methodists In Pahokee On Nov. 17

Plans for an all-day homecoming program at the Pahokee Methodist Church on Sunday, Nov. 17, were announced at a meeting of the Christian Board of Education and Workers Council in the Victory classroom Tuesday night. Rev. Fred L. Martin of Live Oak, former pastor of the church, will deliver the sermon at the Nov. 17 morning service, following which a basket dinner will be held on the church lawn.

At 3 p. m. a special program will be presented in the church auditorium featuring the first appearance of the new church orchestra now being organized, singing by the choir, brief talks and a review of the history of the church by O. B. McClure. Invitations to the home coming are being extended to all members, former members, former pastors and friends of the church.

The board also made plans for a training school for Pahokee and Canal Point Methodist Church school workers to be held at Pahokee, starting Sunday, Jan. 19. Named on the board of managers in charge of the school were Rev. W. T. Blair and an assistant of Canal Point, Rev. C. T. Howes, Mrs. R. J. Schröder and T. L. Burns of Pahokee.

Preliminary arrangements were made for a Christmas tree program to be held in the church auditorium on the night of Monday, Dec. 23. Committees appointed in charge of this affair were as follows: Program, Mrs. H. C. Graham and department superintendents; tree decorations, members of the Victory Class; treats for the children, John A. Dulany, Frank Rozelle, Sr., Mrs. H. M. McIntosh and Mrs. George B. Ramey; preparation of the treats, Mrs. J. M. Elliott; program bulletin, Rev. C. T. Howes. All children and teachers of the church school will draw names for the exchange of gifts at the tree.

It was announced that Robert O. Lampi will present his young people's choir in a Christmas cantata on the night of Dec. 22.

The board and workers council voted to hold regular monthly meetings on first Tuesday nights at 7:30.

Albert Snyder Opens New Grocery Store

Albert Snyder is opening a new grocery store in a new building he recently completed on Pahokee Belle Glade road. The building is built of concrete blocks and Mr. Snyder did most of the work himself. He has part of his stock in and is open for business. There still remains quite a bit of work to be done before the store is complete, Mr. Snyder said. He is still waiting on the windows which have been promised for several weeks.

CHANGE IN SCHEDULE

Mission study classes, scheduled for Wednesday night will be held Monday afternoon at 3:30 p. m. at the Pahokee Methodist church. This is the final change.

Sophisticated

We do not intend to restate a lot of moral dogma in connection with the request that has been made by the president of the WCTU to cut a scene in an unreleased picture showing Shirley Temple taking a drink. We think that a drink of an alcoholic beverage is bad for a person whether she be a Hollywood actress or the most insignificant bum who ever graced a police court. There is no use in going into that all over again.

But we do have some hallowed memories of Shirley, stamping and tripping her little feet as an unspoiled child through some magnificent films. We would hate to see her now going sophisticated on us, all of a sudden. In fact we just don't believe a little girl of Shirley's type would grow up that way in natural life and we don't see why she has to be so represented in pictures.—Shelby (N.C.) Daily Star.

Where Freedom Dwells

No country is free when a part of the people deny to another part of the people rights that the constitution guarantees to all the people. No country is free when a man is not permitted to buy with his own money meat that his family needs. No country is free when a governing party enacts laws "without regard to their constitutionality." No country is free when certain men demand and obtain the right to hijack farmers who are trucking their products to markets.

To deliver freedom wholesale to the oppressed people of Europe and Asia is a noble objective. And to regain at home the rights everybody once enjoyed is an equally noble objective. — Daily Oklahoman, Oklahoma City.

No Jokes In Texas

A San Antonio judge said what an army colonel ought to do was to take a 12-gauge shotgun and finish off his wife's suitor. He was bombarded with letters and calls saying he was advocating premeditated murder. Now he says he was joking. That's the most dangerous thing in the world—trying to be funny on the judge's bench, and especially in Texas and about shooting. — Lexington (Ky.) Herald.

Blue Devils Score 2 Points To Win On Fort Pierce Field

Coach Clyde Alley's fighting Blue Devils maintained their unblemished record of no defeats this season with a 2 to 0 decision over the Fort Pierce Eagles at Fort Pierce Saturday night. The lone safety score came when the Blue Devil center, William Weathers blocked an Eagle punt on the 10. The ball bounced back into the end zone where it was fumbled by a Fort Pierce man who tried to recover. The Blue Devils then covered the ball but officials ruled that the ball was out of bounds before Pahokee recovered and allowed only a two-point safety instead of a touchdown.

Contrary to the reports that appeared in the daily papers, the Pahokee eleven dominated the play through most of the game but

every time they threatened to score they were set back with penalties. The bad breaks they got were enough to take the fighting spirit out of any team but Coach Alley's 1946 team isn't the kind that gives up and their dogged determination finally paid off. The way they played they deserved a 20 to 0 victory but the two points conceded to them by the officials put them in the victory column just as firmly as a 20 to 0 win would have.

The Blue Devils were scheduled to make their seventh bid for victory in a game with the Stuart Tigers on Lair Field last night.

Mrs. Daisy Brink of Daytona Beach arrived last week for a visit with her son and daughter-in-law, Dr and Mrs. Wilburn C. Young, in Port Mayaca.

2,000 In Attendance At Halloween Party

More than 2,000 persons attended the gala Halloween party for the children of Pahokee and Canal Point held on Lair Field on Thursday night of last week. The party was sponsored by PTA with the cooperation of room mothers and teachers and the financial assistance of the Lions Club, the Rotary Club and the Elks Lodge.

Several hundred dressed in a wide variety of ingeniously designed costumes marched (or should we say trotted) in the gay and colorful Halloween parade. The parade was led by the Pahokee High School majorettes with the high school band under the direction of Robert O. Lampl playing some lively music in the back ground.

The children were divided into eight age groups for the judging of costumes and it was really a job for the 24 judges, three for each group, to reach a decision as to which child was wearing the costume most typical of Halloween, or the most comical, or the most outstanding because of its beauty, originality or cleverness in depicting a character. Finally after some sharp scrutiny and much scratching of heads the judges announced winners of the \$2 \$1.50 cash awards as follows: Preschool age, Joe Syd Caudill, Nancy Lee Thomas and Jill McIlwain (paired); Brenda Carter and Kathleen Spencer; first grade, Ann Rita Burns, Wayne Unwin, Trippie Alderman and Othan Gilbert (paired) and Valarie Geiger; second grade, John Guerry and Jack Holt (paired), Betty Eiland, Rupert Mock, Jr. and Judy Chandier; third grade, Betty Echols, Jackie Miller, Annette McIntosh and Dow McClelland; fourth grade, Dickie Lou Holmes, Joe Parker, Buddy Moberg and Jo Ann Edenfield; fifth grade, Bonnie Miller and Eugene Buchanan (paired), Dona Gail Jensen, Donald Pickett and Aleah Hall; sixth grade, Thelma Vann, Louis Pope, Neal Kennen and Rheta Aboud; seventh and eighth grades, Bobby Gene Mitchell, Betty Cullerton, Shirley Watson and Bill Kirk.

After the parade the smaller children were separated into age groups for parties held on Lair Field, in the Woman's Club building and in the Lions Hall. At the same time senior high school students were entertained at a dance party in the gym with Robert O. Lampl and his swing orchestra furnishing the music. Room mothers and teachers acted as hostesses at these various parties where games were played and refreshments served.

Paul Rardin acted as master of ceremonies via the public address system during the parade. Mrs. Jess M. Elliott, assisted by Mrs. Gene McIlwain, was in charge of the parade, the judging and the presentation of awards. Mrs. Homer Barnes, room mother chairman was in charge of general arrangements for the individual parties and refreshments.

Harrington, treasurer; Mrs. Fratt Pope, spiritual life secretary; Mrs. Harold Rosenberg, literature and publications secretary; Mrs. Frank Wilson, missionary education secretary; Mrs. Tommy Griffith, Christian social relations and church activities secretary; Mrs. N. E. Maxson, student work secretary; Mrs. W. T. Blair, youth work secretary; Mrs. R. M. Dart, supplies secretary and Mrs. Osceola Upthegrove, children's work secretary.

Cinematic Chatter

By Malcolm Millar

A girl has been murdered! A gob, on shore leave is accused of the crime, and he and his dance ball hostess find they have only four hours to prove themselves innocent! The plot of plots—the thrill of thrills! That is what is in store for you at the Prince Theatre this coming Sunday-Monday when "Deadline at Dawn," one of the most baffling and thrilling tales of detective fiction screened in a long time.

In the cast and starred Susan Hayward, Paul Lukas and Bill Williams, and deserving of star billing for their excellent performances are Joseph Calleia, Osa Massen, Lola Lane and Jerome Cowan.

I want give you the plot, but I will give you this tip . . . See this show by all means . . . For you will be sitting through a show that will clutch at your heart forty beats a second.

A double feature is in order for Tuesday-Wednesday, with "Allotment Wives Inc." first up with Kay Frances and Paul Kelly in the starring roles and a good looking cast to aid, this one goes deeply into the racket practiced during the war when women married servicemen for their allotments.

It has a very good plot and the story has been well written, so there isn't any reason why you shouldn't enjoy every moment of it. Second feature up is "the screw-

balls of screw-balls" Judy Canova, with Ross Hunter as her leading man and imposing cast of featured players, singers, dancers and hot bands appears on this program. You can be sure that this will be a screw-ball opree that will have you in stitches.

Thursday-Friday is also double featch days Starting with "Black Market Babies", which stars Ralph Morgan and Jane Hazard, and reveals the inside workings of a nasty racket that still flourishes in some states, because it is operated semi-legally. I know you will be entertained with this one.

Second one up is "Rockin' in the Rockies" with Mary Beth Hughes, Jay Kirby, The Hoosier Hotshots, Spade Cooley and his band, The Three Stooges and the Cappa Barra Boys. It is a musical which combines some thrilling Western action and a million laughs. Its fast and its good!

Saturday also boasts the double featured program. First up is a mystery thrillerster under the title "The Cat Creeps" with Lois Collier and Fred Brady named as its stars and a large cast helping them in making this a very entertaining show.

The Western picture for the date is "Stage Coach Robbery" with an all star cast and action that will certainly keep you well entertained, it looks like a honey. See you at the movies—Mal.

Mr. and Mrs. L. A. Maryes and family have moved from Pahokee to South Bay where he is employed as Florida East Coast agent.

CHURCH OF CHRIST SCIENTIST

"ADAM AND FALLEN MAN" is the subject of the Lesson-Sermon which will be read in Churches of Christ, Scientist, throughout the world on Sunday, November 10.

The Golden Text is: "If by one man's offence death reigned by one; much more they which receive abundance of grace and of the gift of righteousness shall reign in life by one, Jesus Christ" (Romans 5: 17).

Among the citations which comprise the Lesson-Sermon is the following from the Bible: "But where sin abounded, grace did much more abound: That as sin hath reigned unto death, even so might grace reign through righteousness unto eternal life by Jesus Christ our Lord" (Romans 5: 20, 21).

The Lesson-Sermon also includes the following passage from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy: "The harmony and immortality of man are intact. We should look away from the opposite supposition that man is created materially, and turn our gaze to the spiritual record of creation, to that which should be engraved on the understanding and heart 'with the point of a diamond' and the pen of an angel (p. 521: 12).

Most everything we buy today—costs more. The things we eat, or wear, or use have taken a steady upward climb. But the picture is not altogether dark and gloomy. Floridians can find genuine satisfaction in one important commodity that has ACTUALLY DECREASED IN COST—even as service has increased. Greyhound fares are less than half they were 10 years ago!

This, we believe, in the face of all rising costs, is a stand-out achievement. Look at these comparative fares below—it's something pleasant and refreshing to think about.

Moberg Will Start New Sermon Series

In accordance with the special series of sermons "Rightly Dividing the Word of Truth" which will begin Sunday night, the pastor Rev. C. A. Moberg of the First Baptist Church of Pahokee will preach Sunday morning on "Modernism and Fundamentalism." The Ladies Quartet will sing "My Mother's Bible." In conjunction with the series announced, a chart of six by eighteen feet will be used. All attending are encouraged to bring their Bibles.

This is the opportunity for Bible study many have been requesting and when completed will mean for those interested a good working knowledge of "God's Plan for the Ages." The usual splendid program by the musical family of choir, orchestra and quartet with "Illuminated Cross" augmentation will be presented. In addition, because of the many requests, the Ladies Quartet will present a number at the Sunday night service. The goal of three hundred in attendance in Sunday School is rapidly approaching materialization with the goal of one hundred in the Training Union in the same light.

Mrs. Doris Wilson, Auxiliary president, responded to the welcome address delivered to the auxiliary members by Commander Jensen. The first issue of the new veterans publication, Vets Information, was distributed to all present at the meeting by Claude S. Jones, editor and publisher of the bulletin.

Life On The Campus AT PAHOKEE HIGH SCHOOL

We, the High School Students, extend our sincere thankfulness to the P. T. A. members for making the Annual Halloween Dance a real success. Through their courtesy, hot dogs, and drinks were served to all present. The music was furnished by Mr. Lampl and his Swing Band. Yes, we all enjoyed a good time, thanks to our P. T. A. sponsors.

The Red Cross Student Council members held a meeting Tuesday to discuss plans for raising more gifts for the Naval Hospital. A dance was decided for November. The various committees were appointed and plans for an interest-

ing and successful event are underway.

Members of the Pahokee School Staff and their guest held their annual out-door steak supper at the home of Principal and Mrs. D. D. Caudill November 4. Out of town guests were Dr. John I. Leonard and Mr. Hardy from West Palm Beach, Mr. and Mrs. Caudill, Mrs. Laurie Holt and Mrs. Frank Hobson from Belle Glade. After dinner there was music by Mr. Caudill and Laurie with her violin. Mrs. Caudill and Mr. Moberg led the group in singing favorite songs, old and new, and at times with original variations.

The second year English class entertained the Pahokee High School with several skits for the assembly program Thursday afternoon. The program, directed by Miss McNamara, was announced by Dellona Jones.

The Muckrat Trio consisting of Herbert Walston, Murray Weeks and Leland Shirley started the program with some very entertaining songs. Joy Fields and Dwight Geiger presented "Clim Kaddidhopper applies for a job."

Radio Station W. O. P., sponsored by the Rite Rite Fountain Pen Company presented the serial "The Love Scene of Hortense and Lorenzo". James Sims was the announcer; Clarice Nason, Hortense; and Clarence Padgett, Lorenzo. The program was concluded by the Muckrat Trio.

We have several new students this week. They are: Pauline Watkins, seventh grade; Earl Chance, ninth (Welcome back Earl); Betty Sue Williams, tenth; Denise Gamot, eleventh; Irvin Mayloy, twelfth; and Raquel Mindlen, twelfth.

There was a Pan-American meeting November 4, at 7:15.

Roy Acuff Has Colorful Career

Roy Acuff, former singing star of the WSM-NBC Prince Albert Grand Ole Opry, is one of radio's phenomenal successes. Recently friends, Roy himself doesn't know who they are, qualified him as a candidate for Governor of Tennessee. Acuff is in his thirties. He was born in the hills of Union County around Maynardville, Tenn. His father at the time of his death was a Sessions judge, and his family although mountain people were no Tobacco Roaders.

Roy played baseball and football in high school and collected more letters than any other student ever got in the Knoxville school he attended. Later he turned down a big league baseball career, when a scout for the Yankees offered him a job to play his fiddle over WNOX in Knoxville. That was seven years ago. Now WSM's Saturday night program featuring Acuff is broadcast nation-wide over 129 National Broadcasting Company stations (9:30-10:00 p. m. CWT). The Smoky Mountain minstrel has more than 2,000,000 juke box and phonograph records in circulation and has been starred in five motion pictures, including "Grand Ole Opry," "Hi, Neighbor," "Oh My Darling Clementine" and "Cowboy Canteen."

Dr. and Mrs. L. W. Armstrong had as dinner guests Sunday Mr. and Mrs. Peter Chiviges of Benton Harbor Mich., and Pahokee, Mr. and Mrs. Alvin Armstrong of Miami and Mr. and Mrs. Jack Phillips and daughter Betty Jo.

Mr. and Mrs. W. H. Key had as guests over the weekend her brother-in-law and sister, Mr. and Mrs. E. S. Miller and their son, Edgar, Jr., also Mrs. Key's niece, Miss Rose Doughtie, all of West Palm Beach.

From where I sit ... by Joe Marsh

Who Gets Off Easiest— Men or Women?

Maybe you saw that poll on who has the easiest life—men or women? Of course, the men voted that the women did, and the women vice versa.

It would be the same in our town—take any family. Thad Phibbs envies his Missus spending the day at home, with no hot office to attend to. And Sue envies Thad his luncheons with the boys; and his evening glass of beer with friends (while she cleans up the dishes in the kitchen).

Of course, none of it goes very

deep. Thad knows way deep down that the Missus has plenty of work running 'n' house; and Sue knows Thad's friendly glass of beer is well-deserved relaxation after a long hard day's work.

From where I sit, most husbands and wives may grumble now and then—but they know in their hearts it's a case of live and let live, give and take, that comes out pretty even in the end.

ALADDIN'S WONDERFUL LAMP was not an important source of light, but here at the Florida Power and Light Company we certainly could use it today! According to the Arabian Nights' tale, a rub of the lamp summoned a slave who instantly gratified any wish. Today, we would have a large order for him...1100 tons of copper wire, a forest of light poles, tens of thousands of insulators, and more than 8,400 transformers.

While this critical shortage is causing delays, we are extending service to new customers just as rapidly as materials are received.

Crosby - Worth

Miss Geraldine Worth, daughter of Mr. and Mrs. John Worth of Pahokee, and Lt. Rosh O. Crosby, son of Mr. and Mrs. Rosh G. Crosby of Lyons, Neb., were married at the home of the bride's parents on Sunday, Nov. 3, at 4 p. m. Vows for the double-ring ceremony were read by Rev. C. A. Moberg, pastor of the First Baptist Church, before an improvised altar banked with ivy, fern and gladioli.

The bride, given in marriage by her father, wore a lustrous gown of soft silk with a full skirt and a fitted bodice of beaded mesh nylon and a matching feather hat with circular-sweep illusion veil. She carried a white prayer book with streamers of satin ribbon and centered with an orchid.

Miss Ricki Weiss of Orange, N. J., was maid of honor. Capt. Duane Crosby, Omaha, Neb., brother of the bridegroom, was best man.

Following the ceremony a reception was held at the Worth home with Mrs. Abe Dobrow presiding at the punch bowl. Mrs. W. R. Willson was in charge at the bride's table and Mrs. Worth, at the bride's book.

Mrs. Crosby is a graduate of the Savannah Ga., High School and Armstrong Junior College, Savannah. She also attended the University of Miami.

Lt. Crosby joined the Army Air Force after graduating from the Lyons High School in Nebraska. He has been in the service four years including 18 months of duty in ETO and is now stationed at Boca Raton.

Following a three weeks' wedding trip to New Orleans the couple will make their home in Boynton Beach.

Methodists Of Canal Point Plan Services

The Theme of the Morning Worship Service at 11:00 A. M. in the Canal Point Methodist Church will be build around the observance of Armistice Day. The sermon topic is "This Nation Under God". The service will be preceded by Sunday School with classes for all ages under the supervision of N. V. Maxson, the session beginning at 10:00 A. M.

In the informal evening service at 7:30 the sermon will be the fourth in the series of "Triumphal Certainties" in which we are examining together the foundations of our Christian faith. This sermon is entitled "You Can See the Triumph of Truth", a consideration of the Bible as a basis for living in this day in the face of widespread wondering and doubt as to whether or not the Bible is the true word of God. More of our favorite gospel hymns will be sung to open the service. These informal services are bringing a fine response in attendance at the evening hour.

Plans for our Thanksgiving Service will be announced on Sunday. We hope, as in the past, to have a union service of Thanksgiving for the churches of Canal Point.

The Methodist Youth Fellowship will meet at the parsonage at 8:30 A. M. on Monday, November 11 for an all day outing. All members are asked to bring a covered dish for lunch. We will leave the parsonage at 8:45 so be there in plenty of time! The MYF of the Pahokee Methodist Church has been invited to attend. The MYF is also taking into consideration the building of an outdoor barbecue pit in the new church property adjoining the parsonage in which the church will build its new Sunday School building.

The Junior Fellowship, rained out of the proposed Halloween Party on Friday, held a very successful Vener Roast at the parsonage on Saturday morning. After a period of games and all sorts, the group gathered around the parson-

age fireplace for songs and the roast. Those present included Joe Fasko Parker, president, Frances Wilson, Glen Walls, Joan Edensfield, Norman Coleman, Hal Rosenberg, Betty Walls, Donna Upthegrove, Russell Dart, and Buddy Parker.

The Canal Point Men's Bible Class is planning a Father & Son fish fry at the home of Frank Wilson during the week of National Father & Son week, Nov. 10. Details will be announced at Sunday School and Church. Transportation will be furnished all those coming to the parsonage. Fathers without sons will be given help in finding boys to take to this evening of fellowship and fun. No speeches of any kind are planned... just a good time for all.

Canal Point PTA Met Wednesday P. M.

The Canal Point PTA met Wednesday afternoon in the school auditorium. Mrs. Clara Maurer presented a varied program. A reading on Thanksgiving, fourth grade children in songs, PTA and health by Mrs. J. P. Mercer, Safety address by Mrs. P. P. deMoya and two piano selections by Frances Wilson made up the program. A social hour with Mrs. Edenfield and Mrs. Simmons as hostesses was enjoyed. The December meeting will be held the first Monday night at 8 o'clock.

RECEIVE FORMS

Claude S. Jones reports that he received at the Veterans Service office in Pahokee this week NHA priority application forms for veterans in need of building materials and household equipment. Now available also at the Veterans Service office are building application forms for non-veterans interested in the construction of houses or apartments to be built specifically for sale or rent to veterans. Mr. Jones will assist those who visit his office in the filling out of these forms.

Mrs. I. Marshall Lair and daughters have returned home after a month's visit with her parents, Mr. and Mrs. C. W. Howell in Laverne, Ala.

because of constipation or faulty digestion? If you feel bilious, sour, bloated with gas, headachy, blue, grouchy, you may be putting too big a burden on your liver. Retained undigested food becomes putrefactive, causes toxins, which overload the liver, keeping it from working properly. How Do Telephone Earnings Affect Your Business?

As telephone service has grown so has your business. Today there are twice as many telephones as there were 20 years ago—five times as many as there were 30 years ago. More telephones have enabled you to reach more customers, and give better service, to the benefit of your own business. Consequently, the improvement and expansion of telephone service are vital to the future growth of your business.

To render good service and expand it, any company must have reasonable earnings. That is basic and fundamental. Telephone earnings today are not only the lowest in history but are dangerously low despite a record volume of business. This is because telephone expenses are increasing faster than revenues. The cost of furnishing service has increased tremendously, while telephone rates generally are lower than many years ago.

This condition is important to you because the quality and quantity of telephone service directly affect the progress and growth of your business.

(1)—The amount of money paid out to provide telephone service is increasing faster than the amount taken in.

(2)—Telephone earnings are the lowest in history.

(3)—Reasonable telephone earnings are essential to good telephone service.

Lido Club Burns In Early A. M. Fire

The Lido Club, located on Belle Glade Road a short distance south of Pahokee, was discovered in flames by Hugo Boe on his way to work around 6 a. m. Saturday. Mr. Boe put in a call to the Pahokee Fire Department and the fire was brought under control with difficulty only after 70 percent of the building had burned. Lacy Lewis, owner, estimated the loss of building and contents at approximately \$12,000. Lewis' pickup truck parked in front of the roadhouse could not be removed because of the heat and was completely destroyed.

Indications were that the blaze started from a short-circuited neon light, according to Fire Chief Marvin Levins.
